

Greetings,

PENN HOSA is the Pennsylvania affiliate of HOSA, an international student organization dedicated to promoting health care careers and enhancing the delivery of quality health care. The 41st annual PENN HOSA State Leadership Conference is April 1-3 at Valley Forge Casino Resort in King of Prussia, PA and we're seeking exhibitors for the event.

We believe the April 2 Exhibitor Fair is an excellent opportunity for your organization to promote its brand, products and services in face-to-face meetings with current and future health care professionals from across the commonwealth.

The PENN HOSA State Leadership Conference features nationally renowned speakers, competitive events, award ceremonies, educational workshops and, of course, the exhibitor fair. It's expected to draw more than 1100 high school and college students who are preparing to pursue health care careers. Plus, students are joined by hundreds of health care professionals and educators who advise PENN HOSA chapters and judge our competitive events.

If you'd like to participate in our Exhibitor Fair, please complete the Exhibitor Contract on this webpage and return it to PENN HOSA by March 6, 2020. Should your organization be interested in exploring other sponsorship opportunities of our State Leadership Conference, a brochure detailing event sponsorship packages, designed to boost your organization's brand among conference participants *and* PENN HOSA's 3,700-plus members, can be found on the [PENN HOSA Conference Sponsor](#) link on our HOME PAGE at www.pahosa.com.

Thank you for considering this opportunity to partner with PENN HOSA. Should you have any questions or require more information, please contact our Exhibitor Coordinator, Mary Ellen Polaski at mepolaskihosa@gmail.com.

Sincerely,

R. Walter Slauch
