

Greetings,

PENN HOSA is the Pennsylvania affiliate of HOSA, an international student organization dedicated to promoting health care careers and enhancing the delivery of quality health care. The 41st annual PENN HOSA State Leadership Conference is April 1-3 at the Valley Forge Casino Resort in King of Prussia and we're seeking sponsors for the event.

The PENN HOSA State Leadership Conference features nationally renowned speakers, competitive events, award ceremonies, educational workshops, a vendor fair and more. It's expected to draw more than 1100 high school and college students who are preparing to pursue health care careers. Students are joined by hundreds of health care professionals and educators who advise PENN HOSA chapters and judge our competitive events.

Please consider sponsoring the conference at one of several levels detailed in the brochure on this webpage. There is also a link to a video on this webpage which gives more information about HOSA. Your organization's generosity will ensure this important event continues to inform and inspire the next generation of health care professionals. Plus, the sponsorship packages are designed to boost your organization's brand among conference participants and all of PENN HOSA's 3,700-plus members.

Thank you for considering this opportunity to partner with PENN HOSA. Should you have any questions or require more information, please contact the Executive Director/State Advisor, Walt Slauch at [wslauchhosa@gmail.com](mailto:wslauchhosa@gmail.com) or 484-854-0047.

Sincerely,

Dr. Lisa Greenawalt  
Chair, PENN HOSA, Inc. Board of Directors

R. Walter Slauch  
PENN HOSA Executive Director/State Advisor
